A moment of silence in memory of Commissioner Colby was observed.

The County Commissioners reported the following;

Room for the Probate Judge, in Court House completed.

Bids had been asked for on changes in Register of Deeds Rooms.

Deed for the transfer of land at the Court House, from the City of Concord not yet executed as the legality of the transfer, without a vote of the Delegation, was questioned by the City attorney. It was voted that any action on the above matter be laid over until the Spring of 1958.

Cost of repairs have gone up 8 to 10 percent.

Cost of Farm labor will have to be increased next year. A 40 hour work week is possible.

Meat products at Home; Poultry lower, Pork, Lamb and Beef higher.

Superintendent of the Home gave notice that help will have to be paid more in order to hold them.

Executive Committee, Merrimack County Delegation held an executive session at the Home with the following members present; Bunten, Turner, Sargent, Mulaire, Davis, Gay, and Phelps present. Woodbury was also in attendance.

Commissioners present; Morgan, McIntosh and Ayotte.

Commissioner McIntosh explained the reason for the call of the Executive Committee, namely; to explain to the Committee some of the expenditures in the budget.

Expense for the care of the Poor off Farm exceeding appropriation, provisions for Home about \$7,000.00 over the amount in the budget, additional expense on labor at Home, about \$7,000.00, increase for more insurance on buildings at Home by \$90,000.00.

Expense for Aid to Soldiers some what less than the amount in the budget.

Roof at the Home repaired at an expense of about \$2,000.00.

Alterations at the Court House in line with the amount in the budget.

Reimbursement by some of the Patients in the Home is expected.

The Commissioners expect that the 1957 budget will have to be increased about eight percent and the 1958 figure in the budget about five and one half percent.

The Commissioners request that any item in the budget with expense less than that specified may be used on other items which show an overdraft.

On motion of Gay, seconded by Mulaire it was voted to authorize the Commissioners to transfer monies from any item in the budget which indicate less than that authorized to items which indicate an overdraft.

On the above motion the Commissioners were authorized to exceed the budget by not more than \$25,000.00.

Improvements at yard in back of Court House not yet done.

Superintendent, at the Home, reports that additional rooms can be provided at a slight cost. One has been completed. Surplus commodities are being used at the Home.

Question was raised as to doing away with furnishing clothing to Prisoners when leaving the Jail as they have clothes when admitted.

## REPORT OF COUNTY COMMISSIONERS

---

### *To the Citizens of Merrimack County:*

In accordance with the Public Laws of the State of New Hampshire the board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent and Matron of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Solicitor, Chaplains, Sheriff, Auditors and County Extension Service for the year ending December 31, 1957.

Again this year, we wish to express our sincere appreciation on behalf of Merrimack County, to the Federal Business and Professional Women's Club of Concord and the Kiwanis Club of Concord, for providing a most successful Yuletide party at the County Home.

We extend our grateful thanks to Miss Bessie Gray whose capable and inspired leadership, interest in the Home, and untiring efforts as a member of the BPW, in cooperation with her loyal supporters, has made this party an annual event for 20 consecutive years.

The occasion of the deaths during the past year of two prominent officials of Merrimack County, Commissioner Joseph G. Colby and George W. Philbrick, Register of Probate, represents a great loss, not only to the County, but to all related agencies and individuals with whom they have come in contact.

Commissioner Colby, twice member of the Board with 13 years of service to the County, and George Philbrick, past County Commissioner with 14 years of service on the Board, and 5 years as Register of Probate, will both be remembered for their cooperation, sincerity, earnestness of purpose and tireless giving of themselves and their abilities for the promotion of good Community Government.

On August 1, 1957, Mr. & Mrs. Albert MacDuffie sub-

mitted their resignation as Superintendent and Matron of the County Home, and Mr. & Mrs. J. James Treloar of Chester were appointed to fill these positions.

Mr. Treloar attended the University of N. H. and was for several years associated with the Merrimack Farmers' Exchange.

Mrs. Treloar, R. N. is a graduate of the N. H. Memorial Hospital School of Nursing.

The Commissioners concur with the Report of the Superintendent and Matron as submitted. A major improvement in the County Home was the installation of an elevator in the main building, at a cost of \$14,930.00. We are now able to utilize rooms on the second floor for residents for whom negotiating the stairs is hazardous.

Appropriation for new construction at the Court House were expended for providing a conference room for the Judge of Probate at a cost of \$1,226.75 and for installing a spiral staircase connecting the vaults between the Register of Deeds offices and a vault in the basement at a cost of \$843.42. This was designed to relieve congestion in the upper office by providing space for storage which formerly had not been utilized to advantage.

We feel justly proud of the County Home with its good facilities, high standards of care for its residents and efficient management, and extend a cordial invitation to anyone interested in its operation, to visit.

ASA H. MORGAN, *Chairman*  
W. GRANT McINTOSH, *Clerk*  
ALBERT M. AYOTTE

As far as could be determined we found the amounts charged for articles purchased were according to market value, and were used for the benefit of the County.

In the Farm account we found a payment of \$18.33 had

been made in cash to one of the Inmates. No receipt was on file, only a note that the money was still in cash box. We didn't find the money or any indication that it had been re-deposited.

In the Farm account the amount of a check drawn to cover the Inmates payroll was forty (40) dollars in excess of the receipts on file.

*To the Board of County Commissioners,  
Merrimack County:*

Gentlemen:

We came as Superintendent and Matron the middle of August and found the last four and a half months busy ones.

In October we were sorry to lose one of our County Commissioners taken by death, Joseph Colby, a man who always took a great deal of interest in the residents and their welfare.

We were happy to welcome Albert Ayotte as our new Commissioner who was appointed to fill out Commissioner Colby's term.

With the help of the Commissioners, we spent much time in carrying out many improvements. A new system of medical records has been installed making use of the Kardex system, enabling the nursing staff to give better individual attention to the residents. Major repairs have been made to the roofs of the Home, new shingles on both sides of the large storage shed, jail, porch and Superintendent cottage were completed.

The laundry has been doubled in size by removing a partition and painted. All ceilings have been repaired.

The reception room has been completely redecorated. A new sign has been installed over the entrance of the Home; all this being done with only the cost of materials used.

Our cattle sale in cooperation with Rockingham County Farm was a success.

Oliver Hastings was hired in as farm boss and has done an excellent job with the farm operations.

Deputy Sheriff Fred Clough operates the House of Correction and County Jail in a very efficient manner.

During the year the residents enjoyed a variety of entertainment and recreation. Trips to the movies, movies in the Chapel, shopping, a picnic, Hopkinton Fair, dances, a trip to see the lights at the Enfield Shrine. The residents

enjoyed an excellent Christmas party under the direction of Miss Bessie Gray sponsored by the Federated Business and Professional Women's Club of Concord, with the assistance of the Concord Kiwanis Club.

We wish to thank the Catholic and Protestant Churches for the spiritual help and guidance, the Salvation Army and the many clubs, stores, individuals who took an interest in the residents.

Mrs. Treloar and myself wish to extend our gratitude to our Staff for the splendid cooperation extended us as a new Superintendent and Matron.

We also thank the Commissioners for their most able advice, confidence and cooperation extended us at all times.

## REPORT OF THE COUNTY SOLICITOR

---

*To the Commissioners of Merrimack County:*

The following paragraphs list the number of cases handled by the office of the County Solicitor during the period January 1, 1957 through December 31, 1957. This list itemizes each particular offense and the number of offenses in each category.

Offense	No. of Cases
Murder and attempted murder	2
Embezzlement	1
Forgery	5
Fraud and/or False Pretenses	3
Breaking, entering and larceny	23
Grand larceny, including checks	23
Assaults, aggravated	5
Assaults, simple	4
Assault with intent to kill	1
Bastardy	6
Reckless driving—death resulting	9
Unnatural and lascivious acts	4
Sex psychopath petitions and investigations	9
Rape	2
Gambling violations	5
Escapes from confinement	8
Arson	2
Desertion and abandonment	4
Leaving the scene of an accident	2
Receiving stolen property	1
Selling or removing attached property	2
Hunting accidents	2
Cruelty to animals	1
Violations of firearm act	2

Habeas Corpus petitions	2
School hearings	1
Juvenile offenders, including those contributing to the delinquency	11
Non support actions including Reciprocal Support petitions	68
Timber slash violations	2
Liquor law violations	2
Misdemeanors handled in Municipal Courts and on appeal, including driving while intoxicated, reckless driving, speeding, and other misdemeanors	34

In addition to the 246 cases above itemized, the office of the County Solicitor has participated in at least an equal number of investigations concerning suspected crimes, untimely deaths, autopsies and many complaints, upon investigation, proving no prosecution warranted.

1957 like 1956 may be viewed with mixed emotions. There were no sharp increases or decreases in the number of crimes committed, with one exception. The crime of breaking, entering and larceny showed a marked increase in 1957, from 7 cases in 1956 to 23 cases in 1957. The discouraging factor in these statistics is that the number of cases of breaking, entering and larceny has risen while the age of the lawbreaker has decreased. Although the number of juvenile offenders has stayed steady, the seriousness of the crimes committed by juveniles becomes greater and greater. Although the State is doing everything in its power to control the juvenile problem, the facilities available are inadequate. The number of juvenile offenders has not risen, yet the offenses committed by them, which are becoming serious felonies, are receiving more public notice and for that reason it would seem to the public that the number of offenses had increased. Such is not the case. However the concern of this office is that the juvenile offender is now committing serious felonies, while in the re-

cent past the juvenile was committing only minor misdemeanors. The State is in a position of having to create a new institution with facilities to care for and rehabilitate those juveniles who do not belong in the Industrial School or the State Prison, or lower the juvenile age from 18 to 16 or 17 years.

The Uniform Reciprocal Support Act has finally come into its own. Increased use of the act was made in 1957 with good results. Some persons and States have abused the act by filing petitions for handling in this State when the use of the act was not warranted. However, those cases are few.

Driving a motor vehicle while under the influence of intoxicating liquor cases showed a slight increase. Many of these cases have been tried before juries in Superior Court and convictions have been obtained. The new law governing sentencing in first offenses is very workable, and fewer first offense appeals are being taken. In almost every instance, a conviction for a second offense will end up in Superior Court on appeal.

1957 may be written off the books as a generally average year. What occurred was expected, what did not occur was not anticipated. However, the Solicitor feels that 1957 might have been the calm before the storm, not only in crimes and juvenile offenses but in money and support matters.

The Solicitor would like to acknowledge the assistance rendered in his behalf by the Office of Cyde R. Parker, Sheriff, and New Hampshire State Police, and the various City and Town Police Departments together with all other law enforcement agencies and individuals, without whose assistance the Solicitor would be unable to function.

Respectfully submitted,

JOHN W. STANLEY, JR.  
*Merrimack County Solicitor.*

## REPORT OF THE CHAPLAINS

---

*To the Commissioners of Merrimack County:*

Gentlemen:

Church services were held at the County Home from September through June during the year 1957. A gospel hymn book is used for singing as all the residents love the old time hymns, and are frequently given a chance to select the ones to be sung. Mrs. Treloar has helped out in the service by playing the piano and Mrs. Thomas has substituted when Mrs. Treloar could not be present. Pianists are hard to find so this has been a great help to the chaplain.

Calls are usually made on the sick residents immediately after the Sunday afternoon service, but also occasionally during the week.

Christmas and Easter are observed in some special way. Everything possible is done to meet the spiritual needs of those living at the Home. Mrs. Thomas often times accompanies me in my calls and we strive to bring as much cheer as possible to the residents.

Respectfully submitted,

J. LINCOLN THOMAS

*Chaplain.*

*To the Board of County Commissioners:*

Gentlemen:

Throughout the year the Holy Sacrifice of the Mass has been offered. The other Sacraments were administered regularly to those unable to attend Mass. The Last Rites of the Church were given to those who were seriously ill or dying. Personal visitation of the various departments of the Home and Hospital afforded additional opportunities

to meet the people, to listen to their problems, and to offer them God's consolation.

At this time I would like to express my sincerest thanks to the Commissioners, to the Superintendent and Matron, to the Hospital Staff and to all who have enabled me to bring God's precious gifts to those who needed them, to the elderly, the sick, the dying.

May we have a continuation of God's Blessings in the year to come.

REV. MICHAEL R. GRIFFIN  
Pastor  
St. Paul's Church  
Franklin, New Hampshire

## REPORT OF THE PHYSICIAN

---

*To the Commissioners of Merrimack County:*

Gentlemen:

It has been a successful year at the Merrimack County Infirmary. We have had no serious epidemics probably due to the administration of influenza vaccine to all personnel.

Our bed capacity has been considerably increased due to the efforts of our Matron.

All three shifts at the infirmary are now covered by Registered Nurses.

It is our hope in the near future to obtain an Oxygen tent and an Aspirator. The acquisition of this equipment will enable us to care for patients which we have not been able to care for in the past.

I would like to thank the nurses, the Matron and Superintendent for their cooperation.

Respectfully submitted,

J. K. McLEOD, M. D.
